## ACCESSORIES / FUNCTIONS:

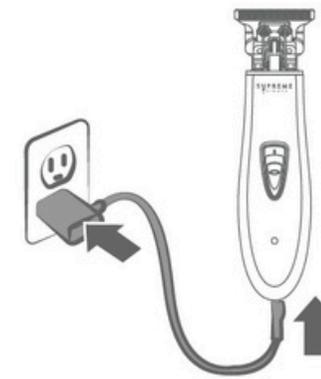

T-Shaper trimmer is expertly engineered for young adults, the elderly, special needs clients, and those with sensitive skin. It makes even the toughest haircuts effortless, cutting and de-bulking without harsh vibrations. Equipped with a no-snag, no-pull deep tooth blade, this tool is a must-have for your grooming set.

Delivering up to 6800 RPM; T-Shaper trimmer has a 90 minute run time on a full charge, a 15 minute quick charge for when you are in a rush and can be used Corded or Cordless.

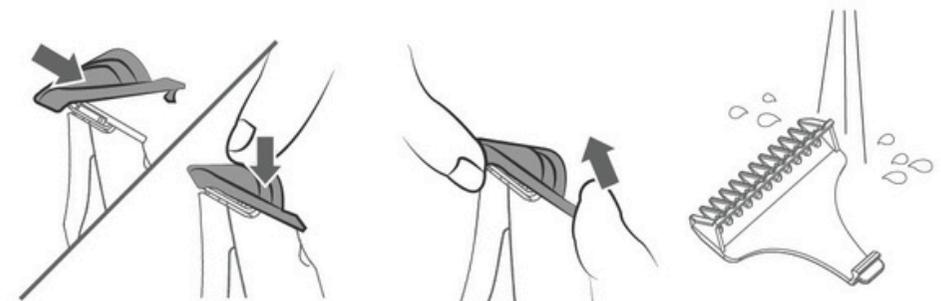

Ensure the teeth of the blades are not damaged or bent. Contact customer service if you receive your unit or attachments with visible damages.

Make sure to remove the clear silicone stopper above the on/off button, as this keeps your trimmer from turning on during transit.

## CHARGING METHODS / ATTACHMENTS:

The T-shaped trimmer can be charged by connecting the charging cable directly to the machine. The charging process is highly efficient and can fully charge your device to 100%. Includes 1 charging cable.

You will receive guide combs ; Convenient for cutting/trimming hair, beard and mustache. Ensure your machine is off before attaching the guide combs.

To put on, insert the blade teeth into the guard and push down end bill. To remove, lift end bill and detach.

Rinse under warm water after every use to remove any hair and maintain your guide combs in tip top shape.

## BLADES / TECHNICAL SPECS / ATTENTION:

Cleaning your blades before and after every use is recommended to keep them from snagging and pulling. Use the provided cleaning brush and add 1-2 drops of oil to reduce friction.

Your blades can be zero gapped. Please check out the youtube tutorial. T-Shaper is equipped with TBD52

Compatible blades: 52100M, 52100G, TB531 & TBD52.
